

Peace Education in South Africa: Sebokeng Youth Advisory Centre

<https://youtu.be/xSLYuGjOPRs>

This new video highlights how the [Peace Education Program](#) (PEP) is impacting people at the Sebokeng Youth Advisory Centre in South Africa. It marks the first report in what will be an ongoing “webisode” series of short videos that document how peace education is changing lives in South Africa and other countries around the world.

Learn more about PEP at the Sebokeng Centre [here](#) and see all of the latest news and perspectives from South Africa [here](#).

This video will be available with Closed Captioning in other languages soon.
